

MEMBERSHIP APPLICATION

New members are jury selected once a year on the first Thursday in May. Applicants are required to submit three (3) examples of their actual work for review by an Art Jury comprised of five members annually elected by the membership. Membership is determined by secret voting and is based on originality, continuity and professional quality.

DATES

Women Painters West will hold the next Art Jury membership screening on Thursday, May 3, 2018. Application deadline is April 15, 2018.

ELIGIBLE ARTWORK

Works should be of professional quality, original in concept and execution. Copies and works done under the supervision of an instructor in a student class or workshop are ineligible. It is suggested that you submit related works, such as a series, to offer the best understanding of your level of accomplishment to the jurors. Oils, acrylics, watercolors, mixed media, printmaking, and collages are all acceptable media. However, reprints of original pieces (i.e. Giclees) may not be submitted unless significantly reworked by hand (i.e. must be one-of-a-kind work). Maximum frame size is 50" in any direction. All work must be hand-delivered and picked up.

FRAMING

Art submitted, but not properly framed will not be accepted. Canvas works may be without a formal frame, but all edges must be finished in a manner appropriate to the painting and contain no visible staples. Works that need protection should be under Plexiglas®. Glass may be used only when work measures no more than 18" x 24" (432 sq.in.) All framing should be of gallery quality and presented in a professional manner. Please keep in mind that your framing decisions contribute to the overall presentation of your work and will be taken into consideration by jurors.
