April 9th Field Trip **Astrid Preston** "On Reflections" Exhibit at the **Craig Krull Gallery**

Our April meeting will be a visit to see Astrid Preston's new body of work, "On Reflections". Astrid will be speaking to us about the work followed by a short Q & A.

Inspired by the ponds at Descanso Gardens and the gardens at Giverny, Preston's paintings explore reflections in the landscape and the mind. Her careful observations evoke a sense of place as well as her personal perspective in the abstract and representational images.

Astrid Preston was born in Stockholm, Sweden. A graduate of UCLA, her work has been exhibited in galleries and museums throughout the United States and Asia. She lives and works in Santa Monica, California.

President's Message

Spring is upon us and I'm thinking about what that means to Women Painters West.

Spring cleaning comes to mind. Well, that's something I don't care to think about. Maybe it's best to think about "renewal" or "new beginnings". Two things come under that category. The first being that we have a nominating committee working hard for a new board next year and secondly we are looking forward to inviting new members to join our organization soon. It has impressed me that during the last 2 years that I have been president, we have found so many talented new members, many of whom are winning awards!

And now the spring exhibition is coming up. Don't worry, this is not a theme show. You don't have to paint flowers. This show is at the Creative Arts Center Gallery, a part of the City of Burbank. This is a beautiful gallery and I think we will shine there. Look for the prospectus in this newsletter.
