PRESIDENT'S LETTER

Greetings All!

A lot to share...

We had a fantastic September meeting. Sequoia Mulgrave, founder of the [DailyMode Studio](#), was our presenter. In addition to all the information she shared, Sequoia offered to schedule a Mailchimp workshop. If you want to hear what Sequoia had to say at our meeting, email me. If you are interested in Mailchimp workshop and want more information, email me.

We will be emailing out the .pdf of our roster some time in October, so look for it. If you haven't paid your dues, this is the last, last call. If you haven't paid, you won't be in the roster.

The Book Club has some great reads. You might want to join us, or download/buy the book for your own pleasure. September's book was [The Yellow House: Van Gogh, Gauguin, and the Nine Turbulent Weeks in Provence](#) by Martin Gayford.

October's speaker is Mitch Albala. He's a wonderful artist and teacher. He has a new book coming out this fall about techniques and ways to see which will be reinforced with his talk.

Finally, to help simplify attendance at our monthly meetings, we are sending the link to all our members. Please pay on our website via PayPal before attending. Let us know how this is working for you.

See you soon,

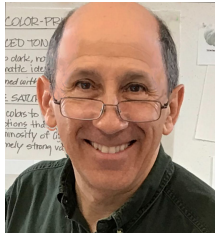

Liz Tucker, President
